

## Pre-Requisites

- You must have a Gmail ID (xxxxxx@gmail.com). If you do not have a Gmail Account then first create a Gmail account and after successful creation of a Gmail account, you will have an ID like xxxxx@gmail.com.
- You should have a credit/debit card and a valid phone number.

## Steps To Register for Google Cloud Free-Trial Account

**Step 1:** Navigate to GCP Free-Trial Account Creation Homepage.

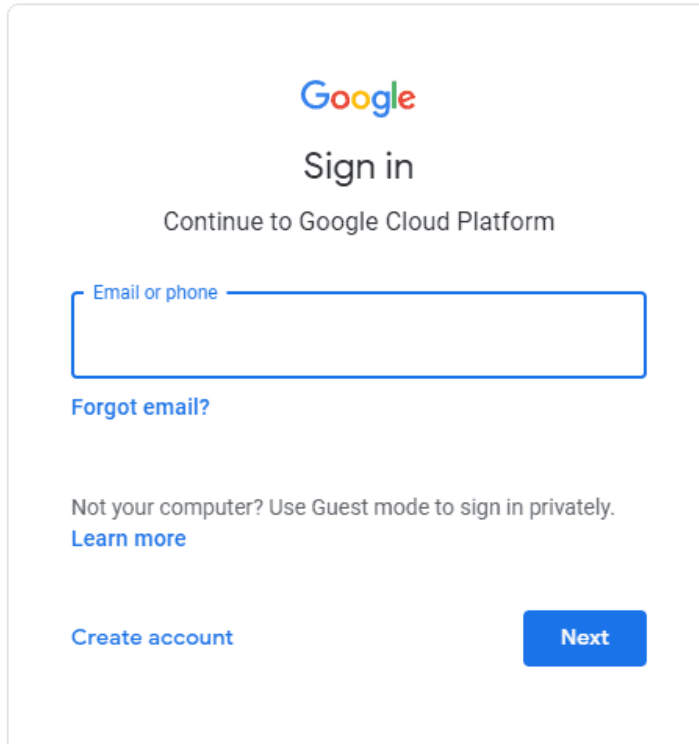

**Step 2:** Click on **Get Started for Free** button which appears on the top right corner.

The screenshot shows the Google Cloud homepage. At the top left is the Google Cloud logo. At the top right, there is a 'Language' dropdown menu, a 'Sign in' link, and a blue button labeled 'Get started for free' which is highlighted with a red rectangular box. A red arrow points from this box towards the center of the page. The main heading in the center reads 'Solve real business challenges on Google Cloud'. Below this heading is another blue button labeled 'Get started for free'. Further down, a section titled 'Start running workloads for free' features two columns: '20+ free products' (with subtext 'Get free hands-on experience with popular products, including Compute Engine and') and '\$300 free credit' (with subtext 'New customers also get \$300 to fully explore and conduct an assessment of Google Cloud'). A plus sign is positioned between these two columns.

**Step 3:** It will redirect to the Sign-In page, Sign In with your **Gmail ID**.

The image shows the Google sign-in page for Google Cloud Platform. At the top is the Google logo, followed by the text "Sign in" and "Continue to Google Cloud Platform". Below this is a text input field labeled "Email or phone". To the left of the input field is a link "Forgot email?". Below the input field is the text "Not your computer? Use Guest mode to sign in privately." with a link "Learn more". At the bottom left is a link "Create account" and at the bottom right is a blue button labeled "Next".

**Step 4:** After sign-in it will redirect to the **GCP Free-trial page**. Select your country from the drop-down, accept the Terms of Service and then click on **Continue**.

Country

A dropdown menu with "India" selected and a downward arrow on the right.

Terms of Service

☐ I have read and agree to the [Google Cloud Platform Free Trial Terms of Service](#).

Required to continue

**CONTINUE**

## How you pay

 Monthly automatic payments

You pay for this service on a regular monthly basis, via an automatic charge when your payment is due.

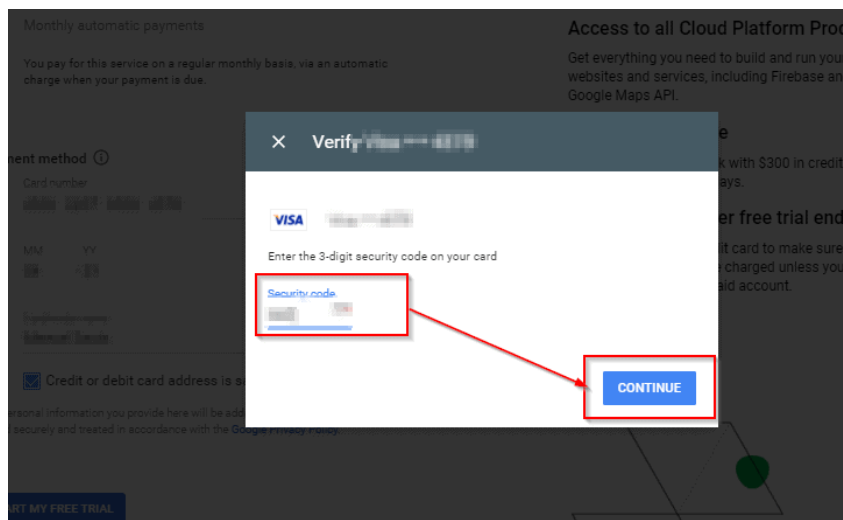

## Payment method ⓘ

# **Card details**

The personal information you provide here will be added to your payments profile. It will be stored securely and treated in accordance with the [Google Privacy Policy](#).

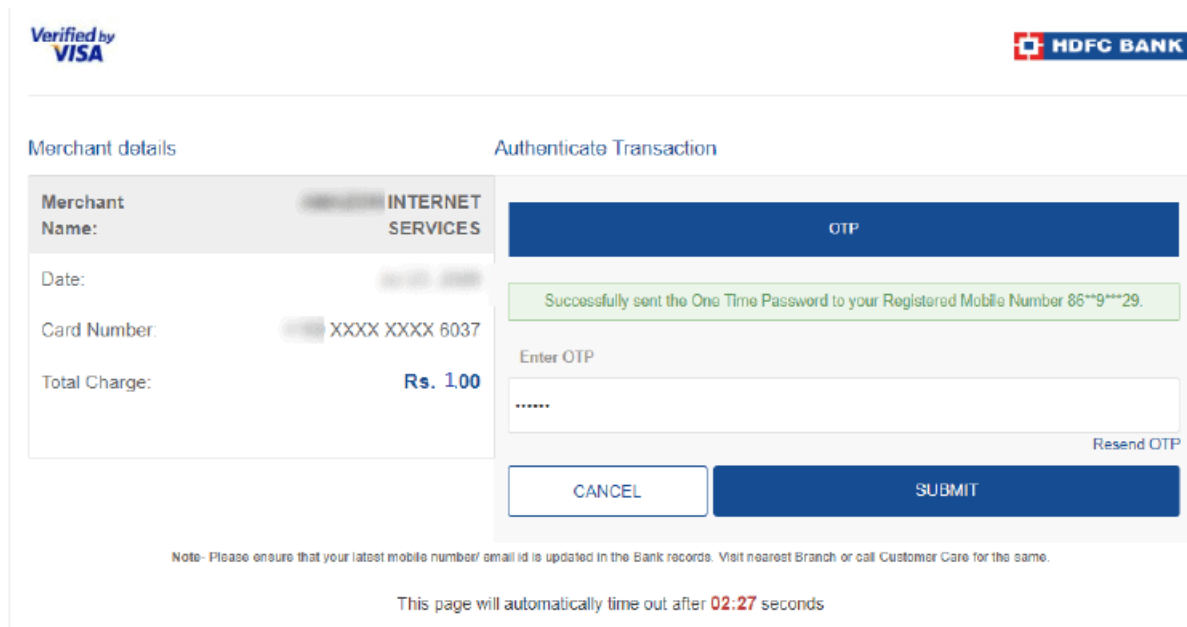

**START MY FREE TRIAL**

**Step 6:** Next it will ask to verify your credit/debit card and enter the security code. Then click on **Continue**.

# GCP Free-Trial Account Creation Guide

**Step 7:** In this step, it will redirect you to the payment gateway to validate your payment information and for your credit card verification Google will charge the minimum price based on Country. Here I have provided India, so Google charged 2 INR.

The screenshot shows a payment gateway interface for HDFC Bank. At the top left, it says "Verified by VISA". At the top right, the HDFC BANK logo is displayed. The main area is divided into two sections: "Merchant details" and "Authenticate Transaction".

**Merchant details:**

- Merchant Name: INTERNET SERVICES
- Date: 12/12/2019
- Card Number: XXXX XXXX 6037
- Total Charge: Rs. 1.00

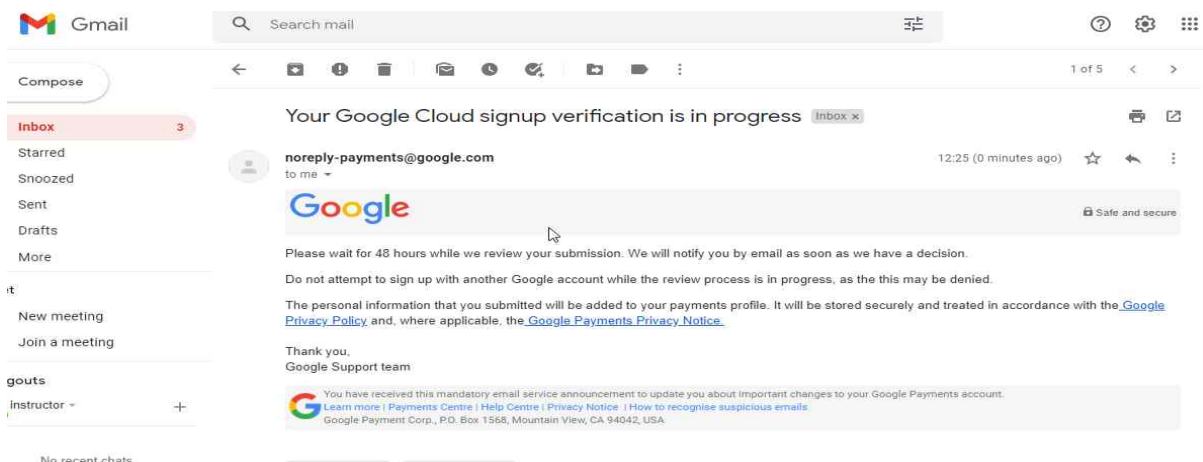

**Authenticate Transaction:**

- A blue button labeled "OTP" is at the top.
- A green message box states: "Successfully sent the One Time Password to your Registered Mobile Number 86\*\*9\*\*\*29."
- Below this is a section labeled "Enter OTP" with a text input field containing six dots.
- A "Resend OTP" link is located to the right of the input field.
- At the bottom are two buttons: "CANCEL" and "SUBMIT".

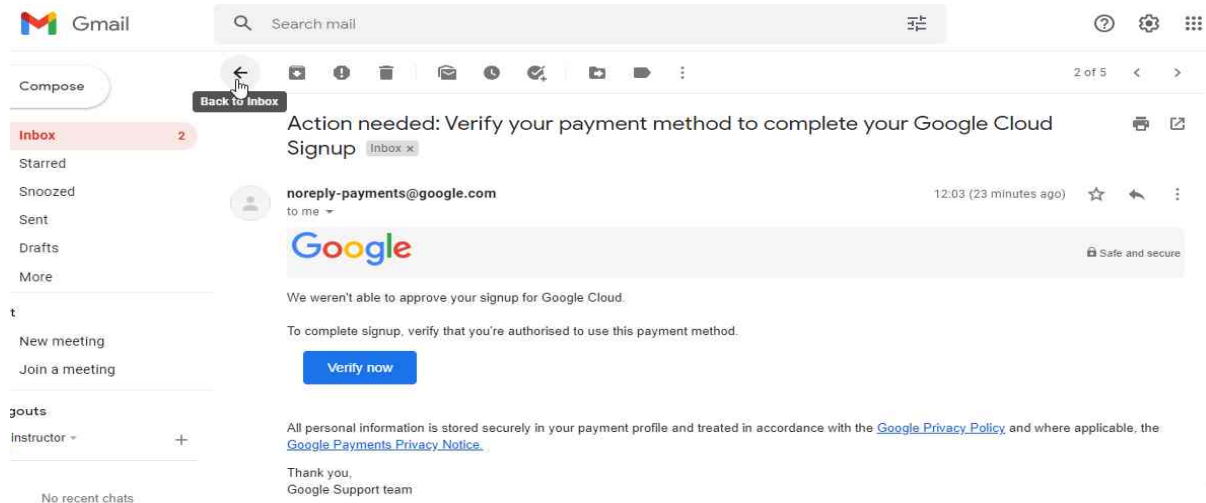

Below the transaction section, a note reads: "Note - Please ensure that your latest mobile number/ email id is updated in the Bank records. Visit nearest Branch or call Customer Care for the same."

At the very bottom, a timer indicates: "This page will automatically time out after 02:27 seconds".

**Step 8:** After the authentication is completed, The Google payments gateway may send you a verification email if the account is new or a payment verification email just click on the verify button on the email and provide all the necessary information.

# GCP Free-Trial Account Creation Guide

**Step 9:** Verify the payment information by uploading photo of your card and any government ID which has the name mentioned on the card. As given in the image below.

## Google payments centre

### Verify your payment information

You will need to verify your payment information to re-enable your payments profile. You can use your device camera to take and upload photos:

Do you have any details to add? (optional)

Use this section to add any additional details. For example, you can let us know if you forgot to sign out, shared devices or recently travelled.

WhatsApp Image 2021-08-30 at 12.06.31 PM.jpeg

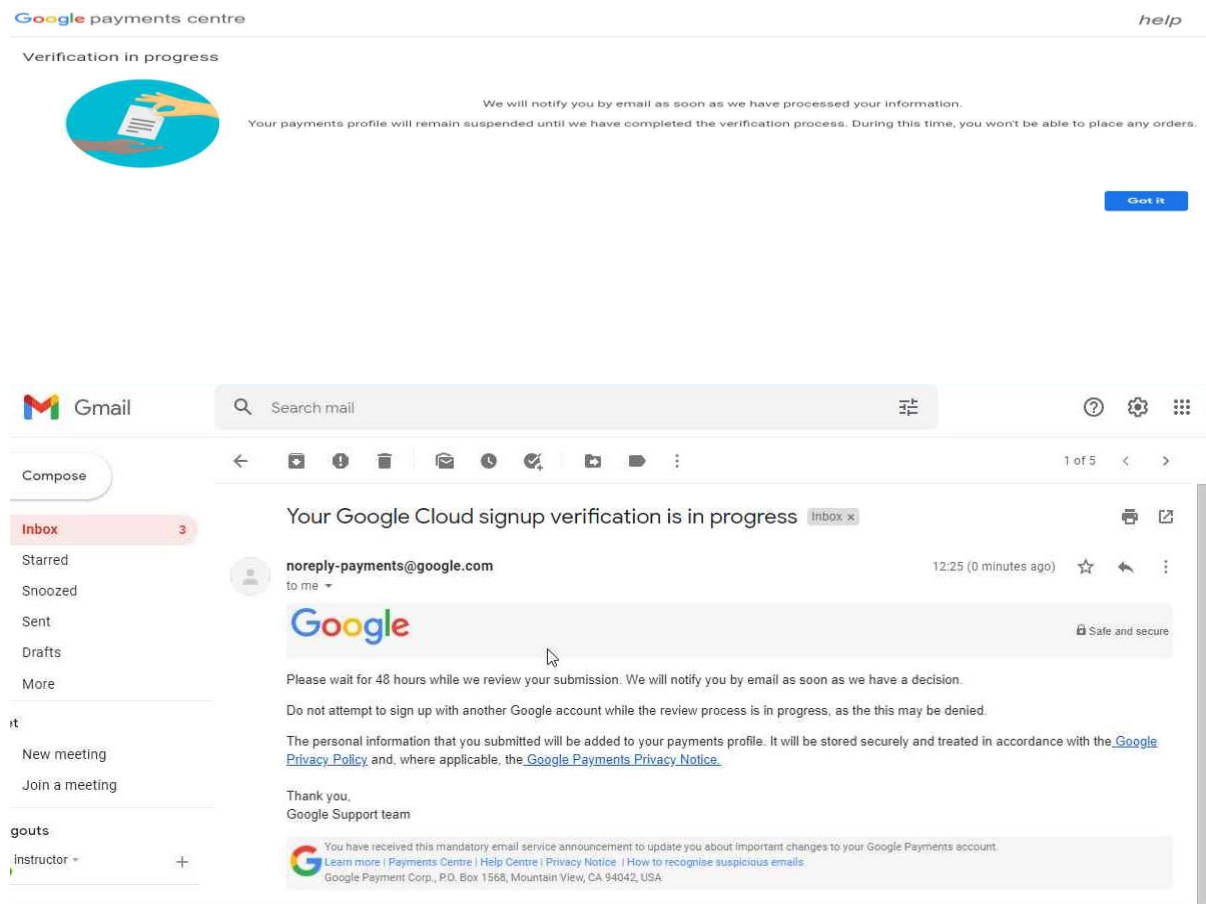

Upload a photo of your valid government-issued photo ID  
Note! The name on the ID should match the name on the card (Mastercard \*\*\*\* 2738).

Upload

# GCP Free-Trial Account Creation Guide

**Step 10:** After uploading the required images on the page you can submit once it is submitted the below page will appear and an email will be received as shown in the image and we may have to wait for 48hrs for verification to get completed.

The image shows two screenshots. The top screenshot is from the 'Google payments centre' and displays a 'Verification in progress' status. It includes a blue circular icon with a document and a hand, and text stating: 'We will notify you by email as soon as we have processed your information. Your payments profile will remain suspended until we have completed the verification process. During this time, you won't be able to place any orders.' A 'Got it' button is visible in the bottom right corner.

The bottom screenshot is from a Gmail inbox. The email is titled 'Your Google Cloud signup verification is in progress' and is from 'noreply-payments@google.com'. The email body contains the following text: 'Please wait for 48 hours while we review your submission. We will notify you by email as soon as we have a decision. Do not attempt to sign up with another Google account while the review process is in progress, as this may be denied. The personal information that you submitted will be added to your payments profile. It will be stored securely and treated in accordance with the [Google Privacy Policy](#) and, where applicable, the [Google Payments Privacy Notice](#). Thank you, Google Support team'. At the bottom, there is a Google logo and a link to 'Learn more | Payments Centre | Help Centre | Privacy Notice | How to recognise suspicious emails', followed by the address 'Google Payment Corp., P.O. Box 1568, Mountain View, CA 94042, USA'.

# GCP Free-Trial Account Creation Guide

**Step 11:** After 48hrs you will receive an email and then you can login to GCP log in page <https://console.cloud.google.com/> which will be redirected to the **Google Cloud Platform (Console)** page where you can start creating projects and practice hands-on.
